TESTIMONIALS

“ The trainer was very thorough and explained the intricacies involved very clearly. In fact, I was quite new to Cloud. Lot of topics have been covered during the training. The labs were quite interesting and well written.

Srividhya Subramony
(Director, Iposa Consulting Pvt. Ltd.)

“ CloudThat trainers were very competent in explaining the concepts on Azure Cloud and relating them with practical use cases which we have in our projects.

- Ankush (Technical Lead, Wipro)

“ CloudThat - The best place to learn Cloud Computing technologies. Trainers at CloudThat have indepth knowledge about the subject. The way they explain is too good. They give personal attention to all candidates and keep the sessions interactive. ”
